Who We Are

Introduction

RVG Group is a UAE based professional services firm providing audit, taxation, and business advisory solutions across a diverse range of industries. Established in 2016, we operate as a structured, governance driven practice led by qualified Chartered Accountants and a professional workforce of over 150 members.

Our firm is specifically positioned to support the entire business lifecycle in the UAE's evolving financial landscape from strategic market entry and licensing to statutory audit and complex regulatory compliances. Our institutional depth is reflected in our adherence to IFRS and OECD standards, ensuring that every engagement from statutory reporting to international taxation meets the highest levels of technical excellence and regulatory accuracy.

By integrating deep regional expertise with a dedicated India Desk, RVG delivers execution discipline and transparent advisory to both regional SMEs and large scale corporate groups.

Our Identity

At RVG, our identity is defined by professionalism, integrity, and technical excellence. We operate as long-term partners to our clients, supporting them with reliable financial reporting, audit assurance, and regulatory advisory.

Led by qualified Chartered Accountants and experienced advisors, we deliver structured solutions designed to help businesses manage compliance obligations, strengthen internal controls, and make informed decisions.

Our work is guided by a client-first mindset, consistent quality standards, and a focus on delivering measurable value through accuracy, transparency, and execution discipline.
